How can you register? Visit our Share Registry at [www.computershare.com](http://www.computershare.com), click on **INVESTORS** and then **Register Your Email Address**, select **DAVID JONES LIMITED** from the drop down menu and then enter your personal security information (holder identification number or SRN, family name and postcode). From there you will be able to register your e-mail address details and nominate which information you wish to receive electronically from David Jones.

### DIRECT CREDITING OF DIVIDENDS

If you are currently receiving your dividends by cheque we encourage you to have your dividends paid directly into your bank account as this would normally result in crediting on or close to the dividend payment date.
